Mathy / Barry / Nitin, as discussed during our general yesterday, OMB has asked for a briefing on West Lake. It has been set up for next Wednesday. Mark H and a number of R7 people will be on the call and provide the background briefing to OMB, and OSRTI will be part of the conversation.

From the e-mail I am forwarding, attached are draft House and Senate bills and an Inside EPA article.

Please let us know if you have any questions. Thanks - Dana
